## MOSAICOS

Presentamos una nueva generación de mosaicos cerámicos de gran belleza, diferentes formatos y formas, en colores y lustres variados. Perlados, nacarados, metalizados, cristalinos..., todos tienen en común que, tras una colocación adecuada, resulta difícil distinguir las juntas de separación entre azulejos.

## MOSAICS

We present a new generation of spectacular mosaic tiles in a range of shapes and formats, colours and lustre finishes. Pearl, nacre, metal, crystalline effect tiles all share a common feature: after they are properly fixed and grouted, joints between tiles are almost invisible.
