WE SUPPORT

The UN Global Compact is a voluntary initiative via which L'ANTIC COLONIAL S.A. and other participating companies undertake to align their operations and strategies with ten universally accepted principles in the areas of human rights, labour, the environment and anti-corruption. In terms of the number of participants, with six thousand in over 135 countries, the Global Compact is the world's largest corporate citizenship initiative. It is a framework for action aimed at boosting the social legitimacy of corporations and markets. Those companies that adhere to the Global Compact share the conviction that business practices based on universal principles contribute to building a more stable, equitable and inclusive global market that promotes more prosperous societies.

Businesses, trade and investment are basic cornerstones in ensuring peace and prosperity. However, in many areas, business is frequently associated with serious dilemmas such as exploitation, corruption, inequality and obstacles that hinder innovations and entrepreneurialism. Corporate social responsibility builds trust and social capital, while contributing to development and sustainable markets.

El Pacto Mundial es una iniciativa voluntaria, en la cual L'ANTIC COLONIAL S.A. junto a las demás empresas se comprometen a alinear sus estrategias y operaciones con diez principios universalmente aceptados en cuatro áreas temáticas: derechos humanos, estándares laborales, medio ambiente y anti-corrupción. Por su número de participantes, seis mil en más de 135 países, el Pacto Mundial es la iniciativa de ciudadanía corporativa más grande del mundo. El Pacto es un marco de acción encaminado a la construcción de la legitimación social de las corporaciones y los mercados. Aquellas empresas que se adhieren al Pacto Mundial comparten la convicción de que las prácticas empresariales basadas en principios universales contribuyen a la construcción de un mercado global más estable, equitativo e incluyente que fomentan sociedades más prósperas.

Las empresas, el comercio y la inversión son pilares esenciales para la paz y prosperidad. Pero en muchas áreas las empresas están ligadas a serios dilemas, como pueden ser la explotación, la corrupción, la inequidad y otras barreras que frenan la innovación y el espíritu empresarial. Las acciones empresariales responsables construyen conanza y capital social, al mismo tiempo que contribuyen al desarrollo y mercados sustentables.

Le Pacte Mondial est une initiative à caractère facultatif dans le cadre de laquelle L'ANTIC COLONIAL S.A. et les autres entreprises participantes s'engagent à aligner leurs stratégies et opérations sur dix principes universellement admis dans quatre domaines thématiques : droits de l'homme, normes du travail, environnement et lutte contre la corruption. Le nombre de ses participants, six mille dans plus de 135 pays, fait du Pacte Mondial l'initiative de citoyenneté corporative la plus importante du monde. Le Pacte est un cadre d'action visant à la construction de la légitimation sociale des entreprises et des marchés. Les entreprises qui adhèrent au Pacte Mondial partagent la conviction que les pratiques commerciales et industrielles fondées sur des principes universels contribuent à la construction d'un marché global plus stable, équitable et intégrateur qui favorise une plus grande prospérité des sociétés.

Les entreprises, le commerce et les activités d'investissement constituent des piliers essentiels de la paix et de la prospérité. Mais les entreprises sont confrontées à de grands dilemmes dans de nombreux domaines, comme par exemple l'exploitation, la corruption, l'injustice et d'autres barrières qui freinent l'innovation et l'esprit d'entreprise. Les actions des chefs d'entreprise responsables développent la conance et le capital social, tout en contribuant au bien-être et à des marchés plus durables.
